Lab 2 Portfolio Report

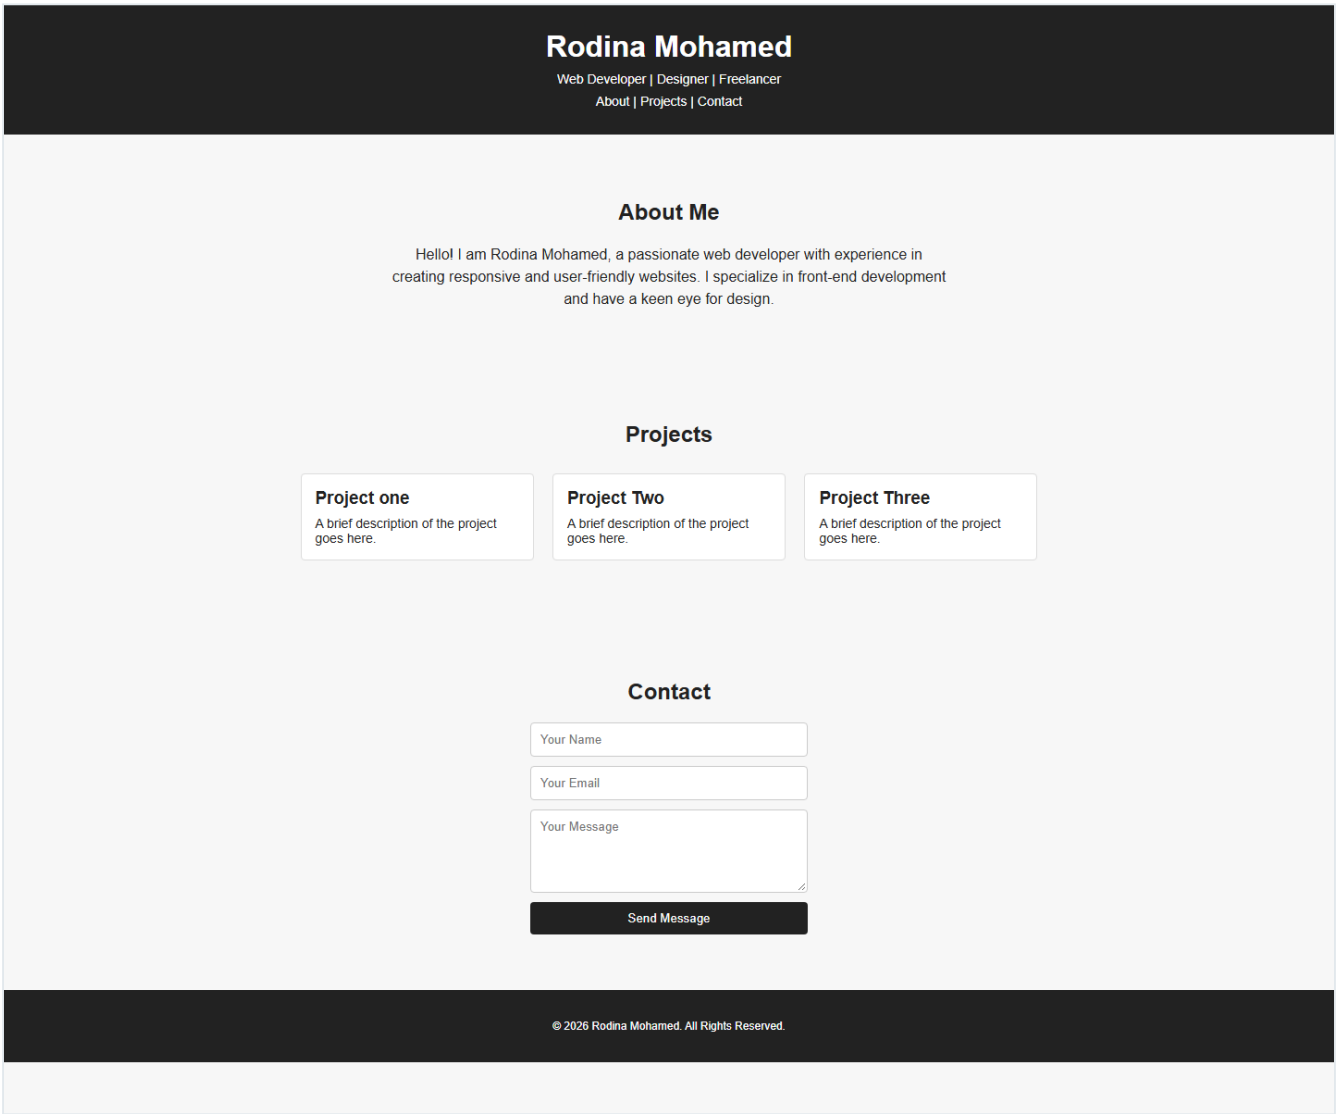

CSE343 (UG2023) - Web Development (42011)

Student Rodina Mohamed 9 October 2026

GitHub https://github.com/Rodina761/webDevelopments-lab-submissions-

The portfolio presents an introduction, three project cards, and a contact form in a single page.

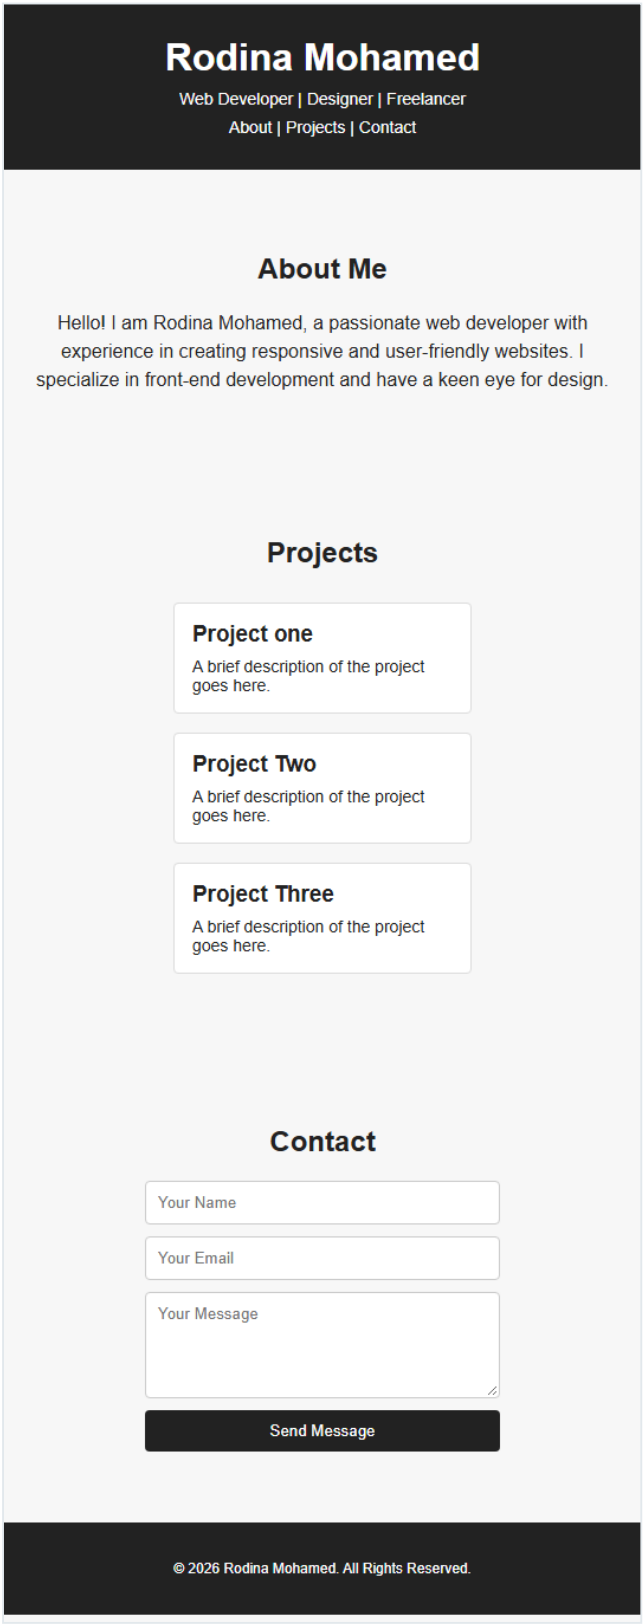

Figure 1 | Full portfolio page at desktop width

The screenshot shows the header, About Me text, Projects section, contact fields, and footer.

Portfolio layout at narrow width

Figure 2 shows the same page in a narrow browser window. The project cards wrap into one column.

Visible sections

Header

Name and professional roles.

About Me

A short introduction to the developer.

Projects

Three cards arranged vertically in this view.

Contact

Name, email, and message fields with a button.

Footer

Copyright notice for 2026.

Source files

lab2.html
